

Parking at 28 Piazza

The communal garage for the Piazza apartments is located in the basement.

To access the garage you will first need to pick up the key from the apartment key safe.

Drive to the left and down the slope underneath the Piazza building. The garage is directly in front of you (where the white car is in the photo above).

Open the garage gate using the key. *Please note that you will have to turn the key twice to open.

Fully open the gate and use the latch to ensure the gate doesn't swing back against your car.

Your reserved space is no.4.

The space is tight and only suitable for a small-medium sized car. You will need to fold in your mirrors before parking as close as possible to the wall on the passenger side, leaving you just enough room to exit your car from the driver's side.

The dimensions of the parking space are...

Width: 2.12m / 7ft. 1"

Length: 4.5m / 15ft.

Height: 1.93m / 6ft. 4"

Please lock the gate when exiting the garage.

Parking is at your own risk.

Please note that under no circumstances shall So St Ives or the owners of 28 Piazza be held liable for any accidental damage incurred whilst using the parking space or communal garage.
