

## Amour directions

From the A30 roundabout follow signs for St Ives and Carbis Bay.

Continue on the A3074 for approx. two miles through Lelant and into Carbis Bay.

Keep an eye out for the Atlantic Hotel and The Gannet Inn on your left. As soon as you see Boskerris Road on the right you will need to indicate and turn right into the driveway to the side of the new St Margarets building (if you reach Carbis Bay Holidays on the left on the bend you have driven too far!).

The large sliding gate at the entrance is usually open, but if it is closed pull on to the pavement and the gate will automatically open.

Follow the driveway around to the rear of the building and park in the space labeled '3' on the left.

To enter the building initially you will need to go back around to the front entrance and use the keypad to open the door using the code provided.

Once inside go down one flight of stairs and you will see the entrance to apartment 3 on the right.

Open the keysafe using the code provided. You will find three keys in here; one for the apartment door, one for the front external door and one for the rear external door.

From the apartment go down a further set of stairs to the lower ground floor with external door that opens directly to the parking area. If required there is also a lift at each level.

The full address of the property is:

Amour, Apartment 3, St Margarets, St Ives Road, Carbis Bay, St Ives, Cornwall, TR26 2JS
