

## The Deckhouse directions

From the A30 roundabout follow signs for St Ives and Carbis Bay.

Continue on the A3074 for approximately 2 miles through Lelant and Carbis Bay.

In Carbis Bay take the right turn in to Valley Road (directly opposite Counthouse Lane on your left). If you reach Tesco you have driven too far!

Zig zag down the hill and you will find The Deckhouse on the right-hand side approximately half-way down.

There is plenty of driveway parking to the front of the house.

You will find the front door key in the keysafe. This is situated past the front door and around to the side of the house, fixed to the fence on the right (the keycode will have been emailed to you).

Enjoy your holiday!
