

## Directions to Stones Reef

From the A30 roundabout turn right and follow signs for St Ives.

Continue on the A3074 through Lelant and Carbis Bay for approximately 3 miles until you reach the St Ives Harbour Hotel junction in St Ives. Follow the road to the left (Albert Road) as the road narrows as you go around the corner.

After 200 metres follow the road sharply to the left and up the hill onto Porthminster Terrace. Immediately afterwards follow the road sharply to the left (Talland Road).

Continue on Talland Road up the hill where the road bends sharply to the right and becomes one-way. Drive past the leisure centre car park to your left, go straight over the mini roundabout and continue along 'The Burrows' as the road bends to the right as you go down-hill.

At the bottom of the hill turn left at the first mini-roundabout, then right onto Carnellis Road at the next mini-roundabout immediately afterwards.

Drive up the hill and continue on Carnellis Road for approximately 300 metres. Keep an eye out for the shop Carnellis Stores to your right.

Just after Carnellis Stores turn left into Tremar Road. After approx 100 metres you will find Stones Reef on your right, with the gravel driveway to the left of the house.
